Friday 28th November 2025

Dear Parents and Carers,

It was lovely spending some time in Reception Class this week. I can't believe how well their handwriting and reading has come on. The concentration and focus I saw from our youngest pupils was excellent. Not only were they busy inside, but they were having great fun outdoors too! The children were excitedly telling me what they were doing and encouraging me to drink a potion!

Year Five and Six have been to The Octagon Theatre this week to watch A Christmas Carol. The children loved the performance – we are lucky to have such a wonderful theatre so close to us.

NEXT FRIDAY – Tree Lighting and Winter Fair

At 3:45pm next Friday, our KS2 children will be singing at the village tree light switch on- this takes place on the Moss.

It would be lovely to see lots of our KS1 children there also.

Then straight after the light switch on, it is back to school for our

WINTER FAIR
4pm – 6pm

We have food stalls, tombollas, a raffle, children's games, and much more.
You can even visit Santa in his grotto!

This year we will be continuing to use TTRockstars to develop our times table knowledge. Having automatic recall of tables facts is essential in maths. The best place for Year Three is Garage as this is where I have set the tables that I want the children to practise.

Well done to the following children, who have achieved new Rock Status':

Rock Legend (Less than 2 seconds per question): Sophia

Star of the Week

Every week we award a child from each class an achievement award. This week's winners are:

Reception: Reuben for his great letter formation.

Year One/Two: Carmen for her mature attitude and George F for being kind and caring.

Year Three/Four: Jack B for his great maths work and working hard in all lessons.

Year Five/Six: Lola for her contributions to the class.

We have been made aware, that some of our children are on WHATSAPP groups in various Year Groups.

The age recommendation for this APP is 13+.

With any social media APP, children need to be taught how to use it responsibly. As a parent, I would always advise that you check your child's messages, check privacy settings and set time limits and ensure that devices are downstairs at night time (they are just too tempting to pick up).

Dates for the Diary

(New dates are highlighted)

Autumn Term
