Friday 7th November 2025

Dear Parents and Carers,

What a busy first week back. We had lots of smiling faces greeting us on Monday morning as we opened the gates. It is always lovely to see the children again and hear what they have been up to during the holidays.

Throughout the week, I have seen some fantastic learning in every classroom as children started new topics in many subjects. Reception have been working hard with their maths and reading; Year One and Two brought in some excellent projects and have started work on our Christmas play; Year Three and Four have been using concrete resources in maths to ensure that they understand 'exchange' in column addition; and five and six started their new class novel in English and their new DT topic. Pupils have demonstrated a fantastic learning behaviour this week. We have been busy uploading pictures on social media so don't forget to follow us.

On Tuesday night, we had our first parent conferences of the year, with more to follow on Wednesday. It is always enjoyable sharing information with parents about your child's learning.

This year we will be continuing to use TTRockstars to develop our times table knowledge. Having automatic recall of tables facts is essential in maths. The best place for Year Three is Garage as this is where I have set the tables that I want the children to practise.

Well done to the following children, who have achieved new Rock Status':

Headliner (Less than 4 seconds per question): Josh and Jack

Rock Star (Less than 3 seconds per question): Ellia

Rock Legend (Less than 2 seconds per question):

Rock Hero (Less than 1 second per question): Holly, Niamh and Osa

Also, well done to Harry who has 'Gone Green' this week. This means that they can recall each fact in **under 4 seconds!**

Star of the Week

Every week we award a child from each class an achievement award. This week's winners are:

Reception: Charlie – for excellent reading.

Year One/Two: Elias – for always showing integrity.

Year Three/Four: Holly – for always working hard and having beautiful manners.

Year Five/Six: Holly – for growing in confidence and showing a fantastic attitude to learning.
