Friday 16th January 2026

Dear Parents and Carers,

This week our extra-curricular clubs started. We have eight new clubs that have started ranging from computing, TTRockstars, Art and Archery. Extra curricular activities provide children with a range of different opportunities to enhance learning, try something new and have fun! It was great to see our younger pupils using Numbots and trying out archery. Whilst some of our older pupils thoroughly enjoyed developing their art skills.

Big Garden Birdwatch

This 23-25 January, join the world's largest garden wildlife survey. Every year, hundreds of thousands of nature lovers help to build a picture of how garden birds are faring.

We are encouraging as many children as possible to sign up for the Bird Garden Birdwatch by the RSPB. Our ECO Team are doing this in school. We are lucky to have many different birds around school and we think this is a great way for children to get more involved. Head to the RSPB website to find out more.

This year we will be continuing to use TTRockstars to develop our times table knowledge. Having automatic recall of tables facts is essential in maths. The best place for Year Three is Garage as this is where I have set the tables that I want the children to practise.

Well done to the following children, who have achieved new Rock Status':

Rock Hero (less than 1 second per question): Ava

Our first battle of 2026 has been completed. Well done to Year 5 you are our champions. Well done to the following children who were our top performers: Luke, Thomas, Theo M and Callum.

Star of the Week

Every week we award a child from each class an achievement award. This week's winners are:

Reception: Blake for always working hard.

Year One/Two: Eva for showing integrity.

Year Three/Four: Delilah for her enthusiasm and always working hard.

Year Five/Six: Lily for always working hard in class.
