Friday 23rd January 2026

Dear Parents and Carers,

This week our Year One and Two class have been very excited as we presented our first ever Numbots certificates in achievement assembly. Numbots is the sister programme to TTRockstars and is for Year One and Two. It gives children the opportunity to practice additive fluency. I have been so impressed with the children's recall of key facts.

We continued with our theme of the environment this week. Our children are very knowledgeable and have a real passion for the environment. Fuelling children's passion for all different things is a real pleasure. I was delighted to see one of our Reception class children this morning in club, with a book all about birds and how we can spot them.

This year we will be continuing to use TTRockstars to develop our times table knowledge. Having automatic recall of tables facts is essential in maths. The best place for all children unless they know their tables is garage as this is where I have set the tables, I want them to prioritise.

Well done to the following children, who have achieved new Rock Status':

Rock Hero (less than 1 second per question): Zak
Rock Legend (less than 2 seconds per question): Luke
Gone Green (knows all facts in under 5 seconds): Ellia

This year we have started to recognise the children's effort on Numbots. This week the following certificates were awarded:

Silver: Max	Kevlar: Elias	Glass: Carmen, George
Chrome: Eva	Steel: Stanley, Jensen	Brass: Jude, Chloe, Issac, Hudson
Tin: Olivia, Cecilia, Ella, Ada, Oliver, Primrose, Hattie, Teddy, Zachery, Noah, Teddy, Ilias, Rupert, Elyssia

Star of the Week

Every week we award a child from each class an achievement award. This week's winners are:

Reception: Herbie – for showing great focus and working hard.

Year One/Two: Isaac – for always explaining his answers fully.

Year Three/Four: Jack R – for showing great resilience and producing excellent work.

Year Five/Six: Osa – for **always** working hard and trying her best.

Dates for the Diary

(New dates are highlighted)
