Friday 24th April 2026

Dear Parents and Carers,

It was so lovely to see the children come back to school Monday with huge smiles on their faces! I hope you all had a wonderful two week break.

The children have had a busy first week back in school all starting new curriculum topics. It is a very important term for all of our children as it is the final one before they move up to the next year and maybe a new teacher. In the case of Year 6, they are busy preparing for their end of key stage assessments before enjoying their final few weeks at Belmont before leaving for high school.

The weather has been kind, the sun has finally shown it's face which means that the children are able to be outdoors more - especially in PE!

Hopefully the sun will be out for our Summer Fair which is later on in the term on Saturday July 11th – 12pm-2pm.

After school clubs begin next week, please ensure you respond quickly if you want a place/s for your child as some clubs have a maximum number on them.

This year we will be continuing to use TTRockstars to develop our times table knowledge. Having automatic recall of tables facts is essential in maths. The best place for all children unless they know their tables is garage as this is where I have set the tables, I want them to prioritise.
