Friday 8th May 2026

Dear Parents and Carers,

A short but happy week at Belmont where the children are extremely happy to come in and learn!

On Thursday, our Reception classroom was used as a polling station so our children moved into the hall for the day and really enjoyed themselves. The highlight for most of the class was to be able to use the playground as their outdoor provision. The tricycles came out of the shed along with lots of other equipment for them to use and play with.

Later on that day after school, our Year 5-6 netball team played three matches in the Darwen Netball League at Darwen Vale High School. There was some success as the team won one, lost one and drew one against some very talented opposition. I was very proud of the way they performed and their sportsmanship during and after the games.

This year we will be continuing to use TTRockstars to develop our times table knowledge. Having automatic recall of tables facts is essential in maths. The best place for all children unless they know their tables is garage as this is where I have set the tables, I want them to prioritise.

Support Act: less than 5 seconds per question.
Headliner: Less than 4 seconds per question – Amber P
Rock Star: Less than 3 seconds per question – Amber P
Rock Legend: Less than 2 seconds per question – Monty A
Rock Hero: less than 1 second per question –
Gone Green – Knowing all multiplication Tables.

This year we have started to recognise the children's effort on Numbots. This week the following certificates were awarded:

Star of the Week

Every week we award a child from each class an achievement award. This week's winners are:

Reception: **Zach** for always being a kind young man.

Year One/Two: **Teddy** for super presentation in his work.

Year Three/Four: **Monty** for tremendous work in all areas this week.

Year Five/Six: **Meadow** for showing great resilience and determination across the curriculum.
