Friday 26th June 2026

Dear Parents and Carers,

Wow, what a hot week but the children still have a had a fun time in school even though they have had to experience shorter times outside.

This morning, all of the school were outside doing a variety of activities as we had a visit from a company who specialise in taking videos by drone. Activities included: rounders, habitat searching towards the Blue Lagoon and fun activities on the park. The finished video will be on our website by the end of this academic year.

Year 3 and 4 had a visit for a company that deliver "Live History". Today 3 and 4 experienced life in The Stone Age on The Moss. All had a fabulous time experiencing a variety of activities in between taking refreshments in the shade.

As you are aware Mr Johnson will be returning to school on Monday. As per his message, he will be on a phased return until he gets his strength and fitness back up to speed.

On a personal note, thank you very much for the support you have given myself and the school community during his absence and I will still be there on the playground at the beginning and end of the day.

This year we will be continuing to use TTRockstars to develop our times table knowledge. Having automatic recall of tables facts is essential in maths. The best place for all children unless they know their tables is garage as this is where I have set the tables, I want them to prioritise.
