Dear Parents and Carers,

Another action-packed week at Belmont.

Year 5 and 6 performed their end of year production of The Keymaster to three excellent audiences including the school on Wednesday and Thursday. Each and every one of them did their families proud in a really fabulous performance. It was good to see so many children brimming with confidence delivering lines or singing songs. Thank you to those that came to support.

Tom from Lancashire Cricket Academy has delivered a couple of sessions to the children this week and from the noise they were making, I could tell that they were having lots of fun.

Tomorrow is our annual school summer fair and we are expecting it to be very busy due to the excellent weather forecast! It is going to be a **CASH ONLY** event please.

Since the beginning of this half term, our Year 5 and 6 children have been working with Naomi Scholfield learning how to start up their own business. All groups pitched their ideas to a panel of judges and four groups were asked to bring their business idea to the Summer Fair to see how much profit they can make. Any profit goes into a class pot to be spent on a treat for them next week.

This year we will be continuing to use TTRockstars to develop our times table knowledge. Having automatic recall of tables facts is essential in maths. The best place for all children unless they know their tables is garage as this is where I have set the tables, I want them to prioritise.

Support Act: less than 5 seconds per question.
Headliner: Less than 4 seconds per question –
Rock Star: Less than 3 seconds per question –
Rock Legend: Less than 2 seconds per question –
Rock Hero: less than 1 second per question –

This year we have started to recognise the children's effort on Numbots. This week the following certificates were awarded:

Brass – Maya Tin – Hattie Titanium - Carmen
