Friday 17th July 2026

Dear Parents and Carers,

We draw to the close another academic year and what a year it has been. I can remember back to the first day in September when our Reception class started school and now we say goodbye to our Year Six children. They are more than ready to leave to go to High School, but they will be missed greatly.

As a class they have always been close, and as role models for our younger children you could not ask for more. We were very pleased with our SATs results where every child made excellent progress, but it is not just with academic progress where they have shone. Over the last two years, during our productions their talent was displayed with excellent acting and singing. We can see how their confidence has grown since their first nativity many years ago. They all have taken part in sporting events including swimming, athletics and cross country and on every occasion we have been proud and they have always displayed our school values. We look forward to hearing about all of your successes at secondary school in the future; you will all smash it.

This year has been challenging with my unexpected illness. During my time off every single member of staff has done extra things to ensure that our children have continued to receive the best education. I would like to take this opportunity to thank every single member of staff for their dedication and commitment to Belmont Primary School. We have continued, as ever, to refine our curriculum and we have had a sharp focus on developing language. Whilst reading children's reports, I was delighted to read about all of our children's achievements and importantly how they enjoy school. All of our staff work exceptionally hard to provide children with many opportunities in the classroom and beyond, but it is the children who have to grasp them. Being a small school, every child is known which enables us to help children thrive.

Lastly, I would like to thank all of our families for your support. Over this last five months, I have received so many good wishes and your kind words and your support have been invaluable. Our school really is one community and that is something that sets us apart. Thank you for all of your support throughout the year and enjoy your summer break. We look forward to welcoming all of our children back in September.

Mr Johnson

Throughout the year we have continued to use TTRockstars to develop our times table knowledge. Having automatic recall of tables facts is essential in maths. The best place for all children unless they know their tables is garage as this is where I have set the tables, I want them to prioritise.

Support Act: less than 5 seconds per question.

Headliner: Less than 4 seconds per question – Ellis

Rock Star: Less than 3 seconds per question – Joshua, Rudie

Rock Legend: Less than 2 seconds per question –

Rock Hero: less than 1 second per question – Henry, Jack

Gone Green – Knowing all multiplication tables –

Last Saturday was our annual Summer Fair. It was a wonderful event, and it was lovely to see so many of our current families, new families and even some of our old pupils. Events like this are always special as it is an opportunity for our whole school community to come together.

A special mention to our Year Five and Six children who completed their enterprise topic. Over the previous couple of months, they have been working with Mrs Scholfield on how to create and run a business and the fair was their opportunity to put their plans into place.

A huge thank you to all of our PTA and school staff that made the event possible. Without you, these events would not go ahead.

We raised £1233.74 which will be spent on enhancing our children's curriculum.

Star of the Year

This week teachers have picked a child who has shone all year. Our winners are:

Reception: Molly – for displaying our values every single day!

Year One/Two: Elias – for always being an active member of every lesson and an excellent role model.

Year Three/Four: Robyn – for effort, brilliant attitude and being a valued member of our class.

Year Five/Six: Theo M – for constantly displaying all of our school values.

We are exceptionally proud of all of our Year Six children with their effort and progress. Each year, we have a small number of awards that are presented. This year the following children have been recognised for their efforts:

The Ramwell Cup for Outstanding Passion for Sport: Osa
The DE Vernon Trophy for Progress: Eve
The Harriet Walsh Trophy for Excellence in the Arts: Daisy/Ava
The LeGood Trophy for Sporting Excellence: Isla
Perseverance Champion: Matilda
